HAPPY Kids, HAPPY Parents

Enrolling Risheet for ALLEN HomeSchooling Classes was really worth it. He is learning many new concepts even apart from his school syllabus. He is always very excited to join the classes, where the experiments & Activities are the best part of classes.

– Ajay Devmurari, Surat

Veronica has always been a very hyper-active child and it's always a difficult task for me to make her sit at one place, especially to study. But we as parents, have felt that she is getting engaged in homeschooling classes way beyond our expectations. Their learning interaction with children is commendable.

–Suman Verma, Kurukshetra

The mentor connect is unparalleled and the classes are highly interactive. Both my kids Gurbaaz and Agambir enjoy the Intelli Homeschooling classes very much. The fact that they keep waiting for the next class says a lot!

– Hasmeen Kaur, Haryana

Misheeta shows much more interest in her studies now. Her grades have improved and she feels confident while facing competitive exams. I'm really glad that I chose Intelli Homeschooling for my child.

– Monomita Mishra, West Bengal

Every Intelli Homeschooling class is followed by unique, colourful and attractive hand-outs. This helps Lakshmita to revise and recall all the concepts gained. The perfectly designed curriculum has definitely given my daughter a competitive edge.

– Ajay S, Talreja, Tamil Nadu

All the academic needs of my kids, Nishtha and Aarush are now fulfilled. The Intelli Homeschooling classes have really helped to establish a strong foundation for the overall development of my kids.

– Mansi Dhawan, Punjab
