FROM THE FOUNTAIN HEAD

Chandni

Head, ALLEN IntelliBrain
ALLEN Career Institute Pvt. Ltd.

Our childhood experiences not only shape us as individuals but collectively shape the society as well. Therefore, it is crucial to focus not just on building knowledge but on nurturing the whole personality of a child. Unfortunately, our traditional education system often falls short in this regard.

Therefore, our team, carrying forth the rich legacy of career building expertise of ALLEN Career Institute Pvt Ltd, decided to delve into deep research in the field of childhood development and child pedagogy, resulting in the development of an array of exclusive products and programmes, tailor-made to meet the unique needs of children to help them become well-rounded and successful individuals in the future.

One such progressive programme is IHS Olympiad, which provides expert guidance to aspiring students for acing National and International Olympiads. This helps students to gain a strong academic foundation, global level exposure, recognition and competitive advantage for a successful professional career and fulfilling life.

FROM CHILDHOOD DEVELOPMENT EXPERTS

Participating in the Olympiad Exams from the earliest stage helps children to build a global profile and prepare for future competitive challenges with ease. IHS Olympiad Classes enable children to follow a structured approach to build knowledge, speed, accuracy and expertise for achieving great results in competitive exams under expert guidance.
